\$10 donation at the door — music starts at 2:30 p.m.

Help stop high-level toxic emissions in neighborhoods surrounding the BMWNC medical-waste incinerator

Proceeds from the benefit will fund a health survey (cancer count) and air and soil sample tests for neighborhoods experiencing extremely high levels of cancers, including childhood cancers, in Mecklenburg and Union counties. CHE is asking the state to implement newly passed and safer EPA regulations on toxic emissions prior to the 2014 target date.

Our efforts in the past year have resulted in four counties and 11 town governments coming onboard in our drive for early implementation of the safer rules. Please help CHE continue the work!

Food available for a \$5 donation — thanks to Buffalo Cravings Inc. and CHE volunteers.

ALL donations are tax-deductible — CHE is a 501(c)3 nonprofit organization.
